

Greetings to all,

We are pleased to inform you that the World Malayalee Council (WMC) a global networking organization of the diaspora community of people of Kerala origin , is organizing its 8th Biennial Convention from May 3 to May 6 , 2012 in the vibrant city and famous business center of Koeln-Bonn in Germany.

World Malayalee Council is an international organization of the people of Kerala origin living in more than 50 countries of the world. This non-profit organization was established in April 1995 by Malayalee Diaspora and was inaugurated on 3rd July 1995 at the first ever world convention of Non-Resident Malayalees. This organization has established an excellent track record in addressing NRI issues and for undertaking series of compassionate charity programs in India and abroad during the past 16 years.

Our volunteers are actively involved in resolving social issues of the NRI in foreign lands and help Government of India missions to resolve issues faced by Pravasi Indians. Recently we are involved in the issues of protecting Pravasi Properties and immigration and Visa problems. This Global conference at Germany will be a meeting point for all our Pravasi malayalees all over the world to address and find solutions for certain very crucial issues facing the Pravasi community.

On behalf of the World Malayalee Council (WMC) , let me take this opportunity to invite you all to participate this unique global conference and make it a great success.

With best wishes

Dr. George Jacob
WMC Global Chairman
